Complaint Log No. 1068414

006th District

06 April 2014

TO: Commander Fred Waller
006th District

FROM: Lt. Mike Rigoli, #235

SUBJECT: Initiation of Complaint Log Number 1068414

ACCUSED: Koch, David A/P.O./Star 7536/Employee Number [REDACTED]
Date of Birth [REDACTED] Date of Appointment: 29 May 2013

DATE/TIME: 05 April 2014/2200-2350hrs

LOCATION: [REDACTED]

RD #: [REDACTED]

LEADS #: [REDACTED]

ALLEGATION: Accidental loss of a firearm

FIREARM INFO: Glock Model 26, serial number [REDACTED]

NARRATIVE: R/Lt. was contacted by Officer Koch via telephone. Officer Koch related that he was at a family gathering (a birthday party for an uncle) at a banquet hall in Chicago Ridge. Koch went on to relate that he had his firearm (referenced above) in a holster in his waistband. When Koch exited the banquet hall and went to his vehicle, he discovered that both the holster and firearm were missing. Koch immediately began a search of the vehicle and parking lot, retracing his steps but to no avail. Koch then re-entered the banquet hall and conducted a thorough search of the interior of the facility, also to no avail. According to Koch, there were approximately 200 people inside the hall, including staff. Koch was advised by R/Lt. to report to the Chicago Ridge Police Department to generate a report, and then to report to the district so that a Chicago RD # could be obtained. Koch complied fully and arrived at 006 with the Chicago Ridge Police Report Number and LEADS number. A Non-Criminal Incident Concerning Property case report was completed and recorded under the above referenced RD number. CPIC was notified and this complaint log number was generated.

006th District

06 April 2014

NARRATIVE:

Officer Koch immediately contacted R/Lt. for direction on how to proceed upon discovery that his firearm was missing. Officer Koch made an attempt to locate the firearm as soon as he discovered that it was missing. Officer Koch fully complied with department directives regarding the loss of a firearm and completed all necessary reports.

This incident is not consistent with R/Lt's observed behavior of Officer Koch on previous occasions. Officer Koch possesses a strong work ethic and his dedication to the job is above average. Officer Koch has always presented himself in a professional and responsible manner and this singular incident is completely uncharacteristic and not representative of Officer Koch as a whole and it is the sincere desire of R/Lt. that these observations are taken into consideration regarding this matter.

On 13 May 2014, The R/Sgt contacted Unit #412 and had spoken with an administrative officer, P.O. Lewis. The R/Sgt requested that P.P.O. KOCH'S start time be adjusted to 1400 hours and that they notify P.P.O. KOCH regarding the interview date of 21 May 2014 at 1400 hours.

On 16 May 2014, the R/Sgt received a phone call from the Accused/P.P.O. KOCH and was informed that he did acknowledge the notification. P.P.O. KOCH also informed the R/Sgt that the weapon which was reported lost had been recovered by a family member of his girlfriend the same night it was lost and was returned to him on 07 April 2014. This was reported to the Chicago Ridge Police Department (C.R.P.D) on 08 April 2014 and was documented on their Supplemental Report. The R/Sgt made contact with the Chicago Ridge Police Department via telephone and e-mail, a request was made for a copy of their Supplemental Report. An Aneta in C.R.P.D. records department has made a copy available for the R/Sgt for pickup at her location. The R/Sgt contacted the Chicago Police Training Academy to verify on if they had been informed of P.P.O. KOCH'S investigation and on any action against him that they may be pursuing. A voicemail was left for Capt. M. PIGOTT #8 regarding this inquiry. The R/Sgt went to the C.R.P.D. and procured the Chicago Ridge Supplemental Report. This Supplemental Report reflects that P.P.O. KOCH reported that his lost weapon was found by a family member of his girlfriend at the same location in which it was reported lost. That the weapon was returned to the Accused on a date listed of 07/07/14 which is an error and should be listed as 05/07/14.

On 19 May 2014, the R/Sgt contacted Capt. M. PIGOTT #8 in response to a voicemail left by him. Capt. PIGOTT informed the R/Sgt that they would not need to be notified since P.P.O. KOCH is no longer within their chain of command due to have completed his training cycles and not directly being assigned to the Training Academy. If there were extraordinary circumstances involved and separation from the department could be a recommendation then they would be involved in that process. However, if it is only a suspension the processing and

notification to B.I.A. is all that will be needed. The R/Sgt responded to a voicemail left by P.P.O. KOCH regarding obtaining a copy of the Supplemental Report. The R/Sgt informed the Accused that a copy of the report has been procured.

- D. A sworn member will not lend his firearm to any other person nor will a sworn member possess or carry a firearm registered to another person except as authorized by the Deputy Chief, Education and Training Division. Department members hired on or before 01 December 1991 electing to carry an approved semiautomatic pistol as their prescribed firearm must first successfully complete a firearm transition process.
- B. The prescribed firearm for all sworn members hired after 01 December 1991 is a Department approved semiautomatic pistol.
- C. Department members may transition to a Department approved striker-fired semiautomatic pistol. A transition to a revolver as a prescribed firearm will not be permitted.
- D. Department members will not be required to transition to a new firing system in order to comply with this directive.
- E. Authorized Department members can access current approved Firearms Training and Certification of all members by logging onto the CLEAR system.

IV. AUTHORIZATIONS AND RESTRICTIONS FOR WEAPONS AND EQUIPMENT

The following provisions apply only to weapons intended to be used in the performance of police-related duties:

- A. Uniformed sworn members will:
 - 1. carry their prescribed firearm or alternate prescribed firearm in a Department-approved holster.
 - 2. for exposed firearms, wear a Department-approved holster attached only to the trouser or equipment belt.
 - 3. not carry more than two exposed firearms.
- B. When in citizen's dress, members will carry their firearms and extra ammunition in Department-approved holsters and ammunition carriers.
- C. The appropriate bureau chief or exempt member of the Office of the Superintendent may authorize the use of additional weapons / ammunition by specialized units within the Department. This authorization will be in the form of a To-From-Subject report. Copies of the authorization will be maintained in each bureau with one copy forwarded to the Education and Training Division.

NOTE: The To-From-Subject report will provide justification for the use of the additional weapons/ammunition and a recommended certification procedure to be administered by the Education and Training Division.

V. FIREARM TRANSITION PROCESS

- A. Department members who elect to transition from their prescribed revolver to a striker-fired semiautomatic firearm will be required to successfully complete a firearm transition process as determined by the Deputy Chief, Education and Training Division.

NOTE: Department members who elect to transition from their prescribed revolver to a semiautomatic firearm as their prescribed weapon will not be allowed to revert to the revolver as their prescribed weapon once they complete the transition process. However, Department members will be approved to utilize their revolver as an alternate prescribed weapon or auxiliary weapon upon completion of existing training.

- B. Department members who elect to transition from their prescribed CFS or DAO semiautomatic pistol to a striker-fired semiautomatic firearm will be required to successfully complete a firearm transition process as determined by the Deputy Chief, Education and Training Division.
- C. Department members who elect to carry a striker-fire semiautomatic pistol as an auxiliary or alternate weapon but do not elect to transition from their prescribed weapon must comply with all the requirements of the transition process and attend the appropriate training.

NOTE: The Education and Training Division will notify Department members when the firearm transition process is available. All transition courses will be available on a voluntary basis during off-duty hours.

VI. REPLACEMENT, TRANSFER, AND REGISTRATION OF FIREARMS; REPORTING OF LOST OR STOLEN FIREARMS/WEAPONS

- A. Legislation

1. Chapter 430, Article 65 of the Illinois Compiled Statutes, known as the Firearm Owners Identification Card Act, states that no person may acquire or possess any firearm or firearm ammunition without having in his or her possession a current Firearm Owner's Identification Card (FOID).
2. Provisions of this article do not apply to law enforcement officials while engaged in their official duties.
3. However, based upon the language of the statute and case law, a law enforcement officer violates the Firearm Owner's Identification Card requirements if he or she is in possession of a firearm without a Firearm Owner's Identification Card while performing a task not related to his or her duties.

NOTE: For example, a law enforcement official who is shopping for personal groceries, regardless of duty status, is not engaged in the operation of his or her official duties, and therefore would violate the Firearm Owner's Identification Card requirements of Section 65/2 of The Firearms Owner's Identification Card Act.

- B. The Gun Control Act of 1968 (GCA), as amended by the Omnibus Consolidated Appropriations Act of 1997, makes it unlawful for any person convicted of a misdemeanor crime of domestic violence to ship, transport, possess, or receive firearms or ammunition. The GCA further prohibits persons from selling or otherwise disposing of a firearm or ammunition to any person known to have been convicted of a misdemeanor crime of domestic violence, or to anyone who they have reasonable cause to believe has been convicted of a misdemeanor crime of domestic violence. This prohibition does apply to all law enforcement officers.

C. Prescribed Firearms/Temporary Replacement

1. Temporary replacement of a prescribed firearm may be obtained if:
 - a. the sworn member's prescribed firearm is lost, stolen, unserviceable, or has failed to pass inspection. With the approval of the unit commander, station supervisor or designated unit supervisor, or the firearms range officer, the affected member may submit a request for a temporary replacement firearm and ammunition by submitting a To-From-Subject report approved by his or her unit commanding officer and all related documentation (such as case reports, gunsmith repair receipts, purchase orders, etc.) to the Deputy Chief, Education and Training Division.
 - b. the sworn member's prescribed firearm is to be examined by the Forensic Services Section. The member may request a temporary replacement of a prescribed firearm, if necessary, by:
 - (1) generating a To-From-Subject report requesting the temporary replacement and obtaining the station supervisor's or designated unit supervisor's written approval.
 - (2) submitting the approved To-From-Subject report, along with copies of the Tactical Response Report (CPD-11.377) and the Property Inventory Report (CPD-34.523) listing the member's prescribed firearm, to the Deputy Chief, Education and Training Division.
2. A sworn member who has been issued a temporary replacement firearm will be responsible for the proper care, maintenance, and return of the firearm to the Education and Training Division. If a member must retain the replacement firearm for more than thirty days, the member will appear in person at the Education and Training Division with the loaned firearm and submit a To-From-Subject report with the station supervisor's or designated unit supervisor's approval explaining the need for an extension.
3. The Firearm Loan Receipt (CPD-63.344) will be prepared when a replacement firearm is issued.

D. Replacement Ammunition

1. Each district is supplied 200 of the following Department-approved duty ammunition cartridges:
 - a. .38 Special +P,
 - b. 9mm,
 - c. .40 caliber S&W,
 - d. .45 caliber ACP.
 - e. 5.56mm

NOTE: Each district will be supplied with 50 rounds of OO buck shotgun ammunition.

2. The station supervisor is responsible for the security and issuance of this ammunition. Additional cartridges will be requested from the Firearms Training Unit, Education and Training Division.
3. Any member, regardless of assignment, may obtain replacement ammunition for Department-issued cartridges that are lost, stolen, damaged, defective, or expended in the line of duty.
4. Whenever the replacement of ammunition is necessary, the requesting member will submit a copy of a Tactical Response Report and/or other related documentation to the station supervisor from the district of occurrence.

5. The station supervisor will note the number and type of ammunition issued, sign his or her name, and enter his or her rank on the reverse side of the report(s). The report(s) will be forwarded to the issuing district commander.

On 06 January 2014, the Reporting Sergeant (R/Sgt) was assigned Log #1068414 for investigation. The R/Sgt reviewed the pertinent documentation provided which supports the above allegation. (Att. #1, 2, 4, 5 & 6)

On 14 April 2014, the R/Sgt had spoken with the Records Department of the Chicago Ridge Police Department (CRPD) and requested the CRPD Report [REDACTED] which was created by the Accused Department Member in regards to his lost weapon. The R/Sgt, via the CLEAR System, acquired P.P.O. KOCH'S Watch and Weapon Qualification Information. P.P.O. KOTCH is currently assigned to Unit 044/Training Academy and detailed to the 002nd District on 1st Watch with a D.O.G. of 64. The Glock 26, which was reported lost by the Accused, has Weapon Registration [REDACTED] and was last qualified on 26 February 2014 by the Accused Member. The R/Sgt had went to the CRPD and obtained a copy of the CRPD's Report [REDACTED] regarding the loss of P.P.O. KOCH'S Glock 26 on 05 April 2014. In review of the CRPD Report it was reported by P.P.O. KOCH that he was at the American Legion at [REDACTED] on 05 April 2014 from 2230 – 2350 hours and that at some point during this time frame his firearm was either lost or taken from his person. CRPD entered into LEADS the missing firearm information. (Att. #'s 7, 8, 9, 10, 11 & 12)

On 13 May 2014, upon return from furlough the R/Sgt, via the CLEAR System, acquired P.P.O. KOCH'S current Watch information. P.P.O. KOCH to appear at the Offices of BIA on 21 May 2014, at 1400 hours for a formal interview regarding the allegations being made against him. The R/Sgt contacted Unit #412 and had spoken with an administrative officer, P.O. Lewis. The R/Sgt requested that P.P.O. KOCH'S start time be adjusted to 1400 hours and that they notify P.P.O. the weapon which was reported lost had been recovered by a family member of his girlfriend the same night it was lost and was returned to him on 07 April 2014. This was reported to the CRPD on 08 April 2014 and was documented on their Supplemental Report. The R/Sgt made contact with the CRPD Records Department via telephone and e-mail, a request was made for a copy of their Supplemental Report. The R/Sgt contacted the Chicago Police Training Academy to verify if they had been informed of P.P.O. KOCH'S investigation and on any action against him that they may be pursuing. A voicemail was left for Capt. M. PIGOTT #8 regarding this inquiry. The R/Sgt went to the CRPD and procured the CRPD Supplemental Report. This Supplemental Report reflects that P.P.O. KOCH reported that his lost weapon was found by a family member of his girlfriend at the same location in which it was reported lost. That the weapon was returned to the Accused on a date listed of 07/07/14 which is an error and should be listed as 05/07/14. (Att. #'s 17, 18 & 19)

On 19 May 2014, the R/Sgt contacted Capt. M. PIGOTT #8 in response to a voicemail left by him. Capt. PIGOTT informed the R/Sgt that they would not need to be notified since P.P.O. KOCH is no longer within their chain of command due to have completed his training cycles and not directly being assigned to the Training Academy. If there were extraordinary circumstances involved and separation from the department could be a recommendation then they would be involved in that process. However, if it is only a suspension the processing and notification to B.I.A. is all that will be needed. (Att. # 19)

On 21 May 2014, the R/Sgt met with the P.P.O. KOCH and his Attorney, [REDACTED]. The R/Sgt completed the Formal Question and Answer interview with KOCH and the following is a summation of said interview

P.P.O. KOCH provided the following information in response to the allegations being brought forth against him. KOCH states that he was assigned to the 006th District at the time of the incident and that he has knowledge of the Department Directive U04-02 "Department Approved Weapons and Ammunition. On the date and time of the incident he was attending a birthday party for his girlfriend's uncle at a Banquet Hall located at [REDACTED]. That his weapon, a Glock Model 26, Serial [REDACTED] 3.5 inch barrel black semi-automatic, containing eleven (11) live 9mm rounds was secured on his person in an inside the pants holster, inside his waistband attached to his belt. Upon leaving the banquet hall just before midnight KOCH discovered that his weapon was no longer in his holster and that sometime during the hours of 2200 and 2350 he had lost the weapon, he does not know how the weapon became lost or where exactly inside the banquet hall it had went missing. Upon discovering that the weapon was missing KOCH searched the immediate area where he was at and searched the premises with negative results. An announcement was made regarding the lost weapon and the party was shut down. KOCH checked with the security personnel on the premises and nothing had been turned in. When KOCH could not locate the weapon he proceeded to contact Sgt. MUHAMMED of the 006th District, then notified the Chicago Ridge Police Department and completed a police report with them. After completing this KOCH went to the 006th District and reported the incident to Lt. RIGOLI. P.P.O. KOCH confirmed that the incident was reported under Chicago Ridge P.D. report [REDACTED] and Chicago Police report [REDACTED]. P.P.O. KOCH had informed the R/Sgt that since the date of the incident he had recovered the weapon. The wife of the man the party was for had reached out to the rest of the guest on if anyone had found the weapon. A person who wished to remain anonymous due to not being comfortable dealing with the police had the weapon and only felt comfortable giving it to her. This woman retrieved the weapon and KOCH recovered the weapon from her. P.P.O. KOCH deeply regrets what had happened, understands the gravity of the situation and has taken steps to ensure that this does not happen again. Upon
